

CCMY8530 INTAKE COUPLER TROLLEY

- Provides easy Coupler handling
- Robust fabricated frame
- Easy safe access to Latch Mechanism
- Simple to operate
- Suitable for all models of CCMY8500 In-take Couplers

Operation

Lower the Coupler from the vehicle stowage. Wheel the Coupler into position over the pit valve. Turn the latch lower to release the catch and the frame and wheels will fold away automatically. On completion of fuelling disconnect the coupler. Push down the legs and lift the coupler until it latches. Return the coupler to the vehicle stowage position.
